VAS Carrot Cake & Rich Fruit Cake Competition

Rules and Regulations:

1. The carrot cake & rich fruit cake competitions follow the show-group state level of competition
2. An exhibitor having won at a Show, will bake another cake for entry in the Group Final; the winner will then be required to bake a further cake for the State Final
3. Exhibitors are to follow the recipe and specifications (see below)
4. An exhibitor having won at show/field day level is not eligible to enter any other show/field day until after the Group judging, when, if not the winning entry, can compete further
5. An exhibitor is only eligible to represent one Group in the State Final
6. Each cake entered must be the bona fide work of the exhibitor
7. If for any reason a winner is unable to compete at Group or State Final level then the second place getter is eligible to compete.

Ingredients:

375g plain flour	345g castor sugar
2tsp baking powder	375ml vegetable oil
1 ½ tsp bicarb soda	4 eggs
2tsp ground cinnamon	3 medium carrots, grated (350g)
½ tsp ground nutmeg	220g tin crushed pineapple, drained
½ tsp allspice	180g pecan nuts, crushed
2tsp salt	

Class 38 – Rich Fruit Cake Recipe

Ingredients:

250g raisins - cut into 2-3 pieces	250g currants
250g sultanas	250g plain flour
125g chopped mixed peel	⅓ cup sherry or brandy
90g chopped blanched almonds	¼ tsp grated nutmeg
60g self-raising flour	½ tsp cloves
½ tsp. ground ginger	4 large eggs
250g butter	½ tsp vanilla essence
250g soft brown sugar	½ tsp lemon essence or finely grated lemon rind
½ tsp almond essence	90g red glace cherries, cut into 4-6 pieces

Method:

Mix together all the fruit and nuts and sprinkle with the sherry or brandy. Cover and leave for at least 1 hour, but preferably overnight. Sift together the flours and spices. Cream together the butter and sugar with the essences. Add the eggs one at a time, beating well after each addition, then alternately add the fruit and flour mixtures. Mix thoroughly. The mixture should be stiff enough to support a wooden spoon. Place the mixture in a prepared square tin no larger than 20cm (8") and bake in a slow oven for approx. 3 ½ - 4 hrs. Allow the cake to cool in the tin.

Notes: 20cm (8") square tin only, no rounded corners.

To ensure uniformity and depending upon the size it is suggested the raisins be snipped into 2-3 pieces, cherries into 4-6 pieces and almonds crossways into 3-4 pieces.
